

foodservice consulting

Customized Culinary Solutions works with Food service Consultants in a number of ways to help their clients astound competitors. Our food service consulting clients are hungry for someone with specialized knowledge—and a lot of it. If you're a foodservice consultant interested in sub-contracting a consultant to support your projects or a referral source to pass on specific work, Customized Culinary Solutions is here to help.

We want to work with you to complement and enhance your consulting work. Together we could make an invaluable team for clients across the US!
